1534 Kitty Hawk Rd. ~ Universal City, Texas 78148 ~ Phone: 210-658-3574 ~ Fax: 210-658-2590

PET IDENTIFICATION

We are pleased to offer an additional procedure designed to enhance your chances of safely recovering your pet should he/she ever be lost or stolen.

HOME AGAIN

“Home Again” provides the most complete pet retrieval services available today. We insert a permanent microchip just below your pet’s skin surface. Many shelters and pet care professionals use a hand-held scanner to reveal a code that identifies you as your pet’s owner. The cost is \$56.50, which includes your first-time registration fee and first-year membership. **All local shelters scan for Home Again chips prior to euthanizing pets.**

Please circle “yes” or “no” to indicate your choice:

Yes	I want this procedure performed on my pet.
No	I <i>do not</i> this procedure performed on my pet.
